

Welcome to
Elam Biggs Bed & Breakfast
— Your Home in Historic Grass Valley —

Do not neglect to show hospitality to strangers, for by this some have entertained angels without knowing it.
Hebrews 13:2

The Elam Biggs home was built in 1892 by one of Grass Valley's foremost successful merchants. This beautiful Queen Anne Victorian is set amidst a large yard surrounded by tall old shade trees and a rose-covered picket fence, all this is just a short stroll to Historic downtown.

This Grand Home is a perfect setting for that special time away or stepping stone to the history of the Gold Rush era. When Elam Biggs built this house for his family it was said to be "the most modern and scientific of its time." Each of our cozy and spacious rooms have a private bath, and either a King or Queen size bed.

In the morning you will be greeted by the aroma of fresh brewed coffee and a hearty breakfast served in the lovely dining room or outside on the private porch. The Elam Biggs home is an attractive setting for family reunions, private gatherings, or mini retreats. We will be happy to assist you in any way possible to make your stay at Elam Biggs in the Grass Valley / Nevada City Gold Country a memorable one.
